W12 - 1200LM USB-C Rechargeable Compact Work Light

- 1200 lumen white COB LED, 6500K
- Additional 350 lumen SMD LED spot beam, 6500K
- Ultra tough nylon, aluminium & TPR construction
- 180° Rotating stand with super strong magnetic base
- IP65 dust & water resistant
- IK07 super tough shock resistant construction
- 2m drop resistant
- Battery :3.7V 2500mAh Li-ion
- Built-in USB-C charging port with protective cover
- 3 Battery level and charging indicators
- 2A direct USB-C charging - fast 3 hours charge time
- 1.5m USB-C charging cable included
- Safety design :
Charging and discharging protection
- High efficiency & Low power consumption

LUMEN 1200LM | RUNTIME 3-10H | BEAM 100M | IP RATING IP65/ IK08

FLOOD LIGHT

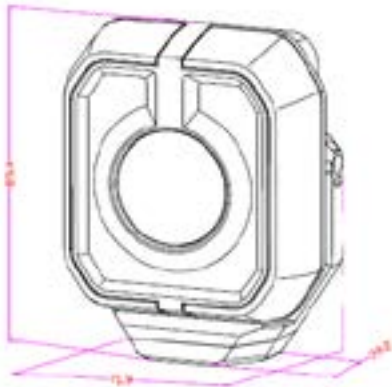

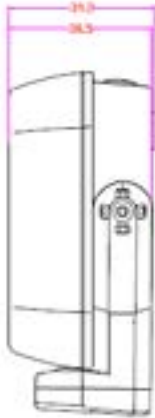

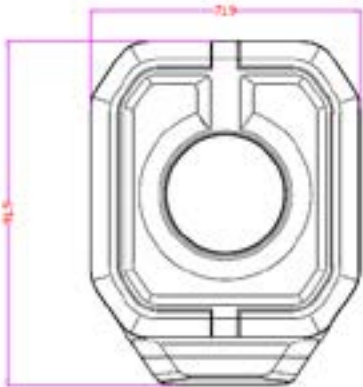

SPOT BEAM

ANSI FL 1 Standard

SPOT BEAM		350 Lumen	100M	10H
FLOOD LIGHT - LOW		300 Lumen	10M	12H
FLOOD LIGHT - MID		600 Lumen	20M	6H
FLOOD LIGHT - HIGH		1200 Lumen	40M	3H

Size (mm)

Bedienungsanleitung

W12 - 1200LM USB-C Kompakte, wiederaufladbare Arbeitslampe

- Weiße COB-LED mit 1200 Lumen, 6500K.
- Zusätzlicher SMD-LED-Spot von 350 Lumen.
- von 350 Lumen, 6500K
- Extrem widerstandsfähiges Nylon, Aluminium und TPR.
- Konstruktion
- Um 180° drehbarer Sockel mit magnetischer Basis.
- magnetisch sehr stabil
- Staub- und wasserbeständig IP65
- Ultra-schlagfeste IK07-Konstruktion
- Widerstandsfähig gegen Stürze aus 2 m Höhe
- Akku:3.7V 2500mAh Li-Ion
- Integrierter USB-C-Ladeanschluss mit Schutzabdeckung.
- Schutzvorrichtung
- 3 Anzeigen für Akku- und Ladestand
- Direktes Aufladen USB-C 2A - schnelle 3 Std.
- Ladezeit
- 1,5 m USB-C-Ladekabel im Lieferumfang enthalten.
- Sicherheitsdesign :
- Schutz beim Laden und Entladen
- Hohe Effizienz und geringer Energieverbrauch

Manuel d'utilisation

W12 - 1200LM USB-C Lampe de travail compacte rechargeable

- LED COB blanche de 1200 lumens, 6500K
- Spot LED SMD supplémentaire de 350 lumens
- de 350 lumens, 6500K
- Nylon, aluminium et TPR ultra résistants
- construction
- Socle rotatif à 180° avec base magnétique magnétique très solide
- Résistance à la poussière et à l'eau IP65
- Construction IK07 ultra résistante aux chocs
- Résistant aux chutes de 2 m
- Batterie :3.7V 2500mAh Li-ion
- Port de charge USB-C intégré avec couvercle de protection
- protecteur
- 3 indicateurs de niveau de batterie et de charge
- Chargement direct USB-C 2A - 3 heures rapides
- temps de charge
- Câble de charge USB-C de 1,5 m inclus
- Conception de sécurité :
- Protection de la charge et de la décharge
- Haute efficacité et faible consommation d'énergie

Manuale d'uso

W12 - 1200LM USB-C Luce da lavoro compatta e ricaricabile

- LED COB bianco con 1200 lumen, 6500K
- Faretto LED SMD aggiuntivo da 350 lumen
- 350 lumen, 6500K
- Nylon ultrasensibile, alluminio e TPR
- Costruzione
- Base girevole a 180° con base magnetica
- base magnetica
- Resistente all'acqua e alla polvere IP65
- Struttura altamente resistente agli urti IK07
- Resistente a cadute da 2 m
- Batteria: 3,7V 2500mAh Li-ion
- Porta di ricarica USB-C integrata con copertura protettiva
- coperchio di protezione
- 3 indicatori di livello e carica della batteria
- Ricarica diretta USB-C 2A - 3 ore di ricarica rapida
- di ricarica rapida di 3 ore
- Cavo di ricarica USB-C da 1,5 m incluso
- Design di sicurezza:
- Protezione da carica e scarica
- Alta efficienza e basso consumo energetico
